## DETAILED ACTION

### *Response to Amendment*

The reply filed on March 8, 2004 is not fully responsive to the prior Office Action because of the following omission(s): Applicants failed to clearly point out the error in the

examiner's action and must replay to every ground of objection and rejection in the prior office action. The reply must present arguments pointing out the specific distinctions believed to

render the claims, including new presented claims, patentable over the any applied reference. Applicants cancelled the previously existing claims and added additional new claims varying

from the old previously existing claims; Applicants' remarks fail to specifically point out the support for any amendments to the claims. See 37 CFR 1.111. Since the above-mentioned reply

appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or

correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE

GRANTED UNDER 37 CFR 1.136(a).
